Gyroled Classic Stick Blue

Gyroled Classic Stick with suction cup and cigarette lighter plug.
Article number : 24485

The Gyroled Classic Stick can be installed on vehicles with aluminum, composite or glass roof. The technical characteristics are identical to those of a Gyroled with magnetic mounting except the magnets which are replaced by a system of grip suction cup mounting.

Advantages:

- Flash or rotating mode
- Polycarbonate lens
- Comfort of use > sound level = 0dB
- Mounting with double suction cup, resistant to a force of 500 N
