

L54 range LED warning lights

The newly designed L54 unit is specially adapted for mounting in tight spaces. Despite a low profile ensuring discreet mounting, it boasts powerful light output which is ECE R65 Class 2 approved.

2 kits available : single kit (1 light + 1 driver) / double kit (2 lights + 1 driver)

- Customized brackets for grill mounting on Vito, Sprinter and T6 models.
- Universal brackets provided as accessories.

Advantages :

- Top of the range LED performance
- Thin lights for grill mounting
- Long life expectancy
- Available in several colours
- Easy fixing system
- Low power consumption
- EMC R10 and ECE R65 Class 2 approved
